

How to Support Easy Wilderness While Shopping at Amazon

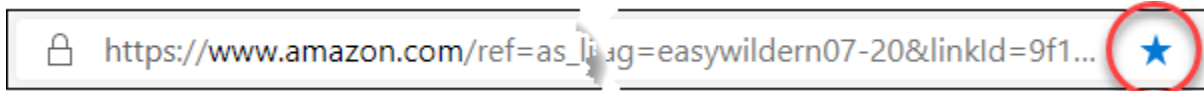

You can support all the good work that Easy Wilderness and the Global Troop Resource do just by shopping as you normally would. And it won't cost you a dime.

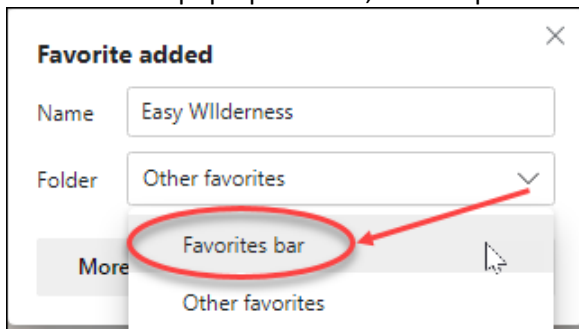

These instructions are for the Microsoft Edge Browser. We have instructions for other browsers, too.

Steps:

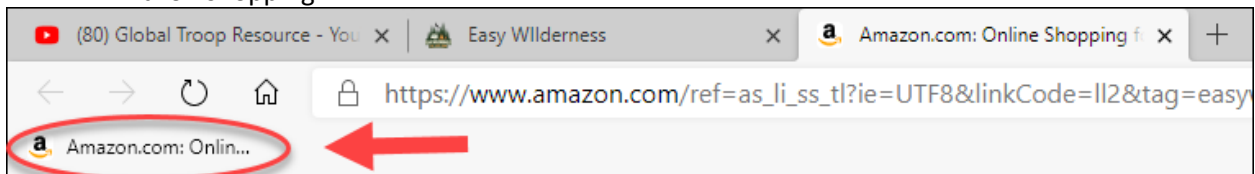

1. Use [this special link](#) to go to Amazon.
2. With the Amazon home page on screen, click the "star" next to the URL

3. In the pop-up window, use the pull-down menu to choose "Favorites bar"

4. An Amazon button will now appear on your favorites bar. Use this new button to start all your Amazon shopping.

Don't see your Favorites bar?

From the ellipsis (3 dots) choose Favorites, then choose Show favorites bar.
