

Legal Information

Easy Wilderness™, Troop Resource™, and the Global Troop Resource™ are projects currently owned and managed by Apex Collaborative LLC. We are working towards becoming a 501(c)3 nonprofit. The views and opinions expressed in the shows, videos and text are opinions and/or discussion points and do not necessarily reflect the personal views of any individual living or dead. Nor do they reflect the official views of Apex Collaborative LLC nor their owners, officers, operators, managers, volunteers, staff and/or assigns. Occasionally, during live shows and in postings people can accidentally misspeak or their words are misinterpreted or taken out of context. Should anyone take offense, please contact us directly and as soon as possible and we will attempt to rectify the situation as quickly as possible without involving expensive lawyers. We are friendly, courteous, and kind.

By participating in any of our activities any way, any and all parties hereby agree and consent to be photographed, video-taped, and to have his/her voice, likeness, performance and/or talents recorded in connection with a program or materials produced by Apex Collaborative LLC, their owners, officers, managers, volunteers, staff and/or assigns. Participants further consent and agree that any text, pictures (whether still or motion), and any sound recordings taken in connection with said production may be edited, transmitted, published, reproduced, exhibited or otherwise used without further consent from the parties and without payment of any fees or other consideration to the participant. Such use includes, but is not limited to, educational, promotional, commercial, or professional use without numerical, geographical, or time limitation. Further, any and all participants hereby release and discharge the Apex Collaborative LLC, their owners, officers, managers, volunteers, staff and/or assigns, clients, advertisers, guests, affiliates, licensees and their officers, employees, agents, successors, assignees, executors and administrators from any claims, actions, damages or demands whatsoever which the participant now has or may ever have.

At this writing, Apex Collaborative LLC is not a 501(c)3 nonprofit. Thus, we may offer gifts, recognition, or other consideration in lieu of tax deductions for your contributions.

Until we are an established 501(c)3, all projects are run under the umbrella of Apex Collaborative LLC. Because the one Founder is a Scout Leader and another is an Eagle Scout, some of our materials may refer to Scouts. Easy Wilderness, Troop Resource and the Global Troop Resource receive no funding from and are not affiliated with the Scouts BSA nor GSUSA.
